

Professional Growth

Camunda is committed to empowering Camundi on their learning, growth, and development journeys. The **Professional Growth Benefit** provides employees an allowance of **up to 1000 \$/€/£ per year to engage in self-driven professional learning and development activities**. Camundi have the autonomy to select the learning resources they need (e.g. conference attendance, courses, books, tuition reimbursement, language learning, etc.), when they need it!

Ready to learn more and take advantage of the Professional Growth benefit? Click [here](#) for more information, including the request and expense process. Happy learning! 📖
