

Headspace

Meditation and mindfulness have been shown to help people stress less, focus more, and sleep soundly, and Headspace is your personal guide. With hundreds of guided exercises for meditation, sleep, focus, and movement, we'll help you start and end your days feeling like your best self.

The best part? We'll get it all for free 😊

Click on this link to get to the landing page, where you can register free of charge using your Camunda work email address:

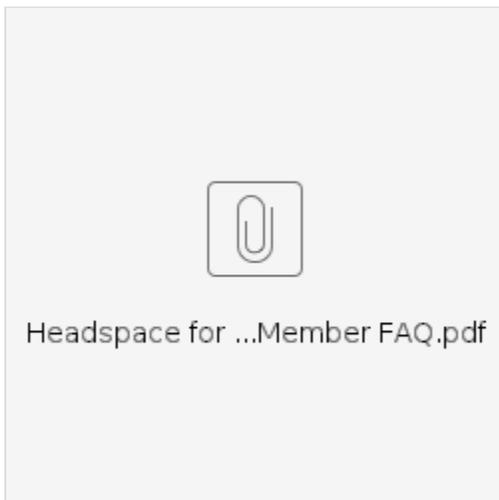

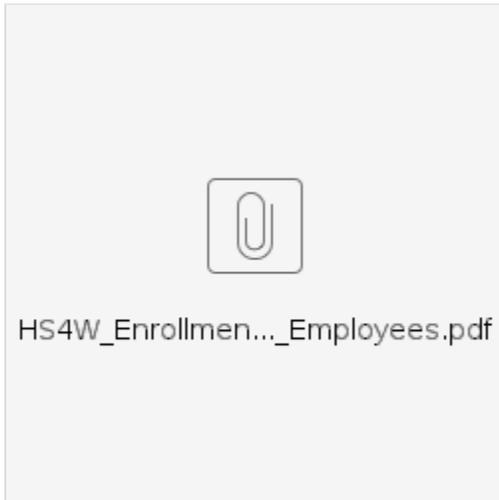

work.headspace.com/camundaservicesgmbh/member-enroll

You can also download the App on your mobile device and use the same login.

Here's what you will find on Headspace:

- Guided meditations for stress, focus, productivity, and more
- Sleepcasts and bedtime audio for restful night
- The Wake Up: bite-sized videos for daily inspiration
- Focus: music and meditations designed to get you in the zone
- Move Mode: quick workouts and guided cardio for body and mind
